Blood, Toil, Tears, and Sweat: The Dire Warning

John R. Lukacs

Blood, Toil, Tears, and Sweat: The Dire Warning John R. Lukacs

On 13 May 1940, Winston Churchill stood before the House of Parliament to deliver his first speech as prime minister. German troops were advancing across Europe; Neville Chamberlain's government had fallen three days earlier. Churchill needed to prove himself an able leader, and he also needed to convince an unwilling nation to support his stand against Hitler.

In this taut meditation on a great leader under great pressure, Lukacs demonstrates that Churchill delivered his triumphant speech despite his own sense that England might soon fall to Hitler's armies. A riveting portrait of leadership in its confrontation with radical evil, Lukacs's book is essential reading for WWII buffs, Churchill aficionados, and anyone interested in leadership.
