Bob-Lo Revisited

Bill Rauhauser

Bob-Lo Revisited Bill Rauhauser

This is a beautifully produced collection of 100 photographs of one of America's most unique and unforgettable amusement parks. Unique because it sat on an island in the Detroit River and required a steamship ride to get there and back again-- and alive in fond memories because it meant fun and adventure outside the confines of city life for thousands of urban dwellers during most of the twentieth century. Unique because it sat on an island in the Detroit River and required a steamship ride to get there and back again-- and alive in fond memories because it meant fun and adventure outside the confines of city life for thousands of urban dwellers during most of the 20th century.

These pages of black and white photos, elegantly reproduced as duotones, capture the fun, romance, amusement rides, big boats, and nostalgic atmosphere of a beloved park and a bygone time. The book includes a history of Bob-Lo Island's colorful life as refuge and playground to citizens of both the US and Canada for over 100 years.

From reader reviews:

Veronica Mei:

What do you consider book? It is just for students as they are still students or it for all people in the world, what the best subject for that? Simply you can be answered for that problem above. Every person has several personality and hobby for each other. Don't to be pushed someone or something that they don't would like do that. You must know how great along with important the book Bob-Lo Revisited. All type of book could you see on many methods. You can look for the internet methods or other social media.

Michele Stein:

Are you kind of busy person, only have 10 or perhaps 15 minute in your moment to upgrading your mind ability or thinking skill perhaps analytical thinking? Then you are receiving problem with the book as compared to can satisfy your short time to read it because all this time you only find reserve that need more time to be go through. Bob-Lo Revisited can be your answer because it can be read by a person who have those short spare time problems.

Jackie Peters:

That guide can make you to feel relax. This kind of book Bob-Lo Revisited was bright colored and of course has pictures around. As we know that book Bob-Lo Revisited has many kinds or type. Start from kids until teens. For example Naruto or Private investigator Conan you can read and feel that you are the character on there. So , not at all of book tend to be make you bored, any it offers up you feel happy, fun and unwind. Try to choose the best book to suit your needs and try to like reading that.

Irene Howe:

Many people said that they feel uninterested when they reading a publication. They are directly felt the item when they get a half elements of the book. You can choose typically the book Bob-Lo Revisited to make your own personal reading is interesting. Your skill of reading talent is developing when you just like reading. Try to choose easy book to make you enjoy to study it and mingle the feeling about book and studying especially. It is to be initial opinion for you to like to available a book and examine it. Beside that the publication Bob-Lo Revisited can to be your friend when you're sense alone and confuse using what must you're doing of the time.
