Principles of Insurance Life, Health, and Annuities

Harriett E. Jones

Principles of Insurance Life, Health, and Annuities Harriett E. Jones

This book consists of three principal sections: (1) an introduction to insurance in general and to the life and health sectors in particular; (2) a section on life insurance and annuities, comprising roughly half of the text and including discussions of both individual and group insurance; and (3) an admirably up-to-the-minute treatment of health insurance. The focus in the latter two sections is mainly on the distinguishing characteristics of different types of coverage.
