Shaping South East Europe's Security Community for the Twenty-First Century: Trust, Partnership, Integration (New Security Challenges)

Shaping South East Europe's Security Community for the Twenty-First Century: Trust, Partnership, Integration (New Security Challenges)

In this book, leading academics and policy practitioners develop approaches for managing critical contemporary and emerging security challenges for South East Europe. They attempt to conceptualize and realize security as a cooperative endeavour for collective good, in contrast to security narratives driven by power and national egotism.
