**The Powers of Thought (Izvor Book 224)** Omraam Mikhael Aivanhov

‘God has given the mightiest, most potent form of power to the spirit and as every one of our thoughts is pregnant with the power of the spirit which brought it into being, that power is constantly at work. Knowing this, each one of you has the possibility of becoming a benefactor of mankind; by projecting your thoughts into the farthest reaches of space, you can send out messages of light to help, comfort, enlighten and heal others. Those who undertake this work knowingly and deliberately, gradually penetrate into the mysterious arcana of divine creation.’
