The Routledge Handbook of the Welfare State (Routledge International Handbooks)

The Routledge Handbook of the Welfare State (Routledge International Handbooks)

'The welfare state' in all its many forms has had a profound role in many countries around the world since at least the Second World War. The *Routledge Handbook of the Welfare State* explores the classical issues around the welfare state, but also investigates its key concepts, along with how these can be used and analysed.

Over forty contributions from renowned international specialists in the field provide readers with expert analysis of the core issues related to the welfare state, including regional depictions of welfare states around the globe. The book combines essays on methodologies, core concepts and central policy areas to produce a comprehensive picture of what 'the welfare state' means around the world. In the midst of the credit crunch, the *Handbook* addresses some of the many questions about the welfare state.

It will be an invaluable reference book for students and scholars throughout the social sciences, particularly in sociology, social policy, public policy, international relations, politics, and gender studies.
