WINNER OF A PRIMA BABY MAGAZINE 2014 AWARD FOR BEST TODDLER BOOK

If your child is struggling to give up his or her pacifier, then this the book the experts recommend. Children love it because it's a great story with fun illustrations, and parents love it because it enables children to kick their pacifier habit once and for all.

Bea Gives Up Her Pacifier follows the story of a little girl called Bea, who refuses to give up her pacifier. Then one night her mother persuades her to leave all her pacifiers outside her room for the 'Pacifier Fairy' to take - (in exchange for a special gift). Bea gets to meet the fairy, who shows her that it IS possible to give up pacifiers without shedding a single tear.

After reading, children can follow the story at home by collecting up their pacifiers and leaving them outside their bedroom at night. Parents can then ensure that the 'Pacifier Fairy' takes them off to Fairyland, leaving a special gift in their place!

The book also includes some fun ideas to help stop children missing the pacifiers, in the days after they've gone.

"I read this book to my pacifier-loving son. Afterwards he couldn't wait to leave his pacifiers outside his room for the Pacifier Fairy to take. Amazingly he never asked for his pacifier again." Liz Coxeter
