Burgmller -- 25 Progressive Pieces, Op. 100: Book & CD (Alfred Masterwork Edition: CD Edition)

Burgmller's most famous work, the 25 Progressive Pieces, are short compositions with descriptive titles. Easier than his Opp. 105 and 109, each selection exposes students to a different technical challenge with the main emphasis on the phrasing, articulation, and dynamics often found in Romantic piano music. The collection includes "Arabesque" and "Ballade," both popular with many early-intermediate pianists. The Alfred Masterwork Library CD Editions conveniently combine each exceptional volume with a professionally recorded CD that is sure to inspire artistic performances.

Pianist Valery Lloyd-Watts studied at the Conservatory of Music in Toronto and the Royal College of Music in London. She earned a Master of Music degree from the University of Wisconsin, where she studied with Paul Badura-Skoda. She co-authored the text *Studying Suzuki Piano: More than Music*, which was endorsed by Dr. Suzuki.
