Dues ex Machina Chris Pilie

With the rise of German Existentialism, the world has entered a post modern era where up is down and right is wrong. Dues ex Machina explores this progression away from the Enlightenment. As a result of this progression, the rejection of God and the embracing of collectivism has closed in around a once free American society. See the steps towards Secular Socialism through the a philosophical and political perspective. There is no better account that explains this progression.
