From out yonder: Stories and poems from a country boy's life Thomas Chilton Stoner III

From out yonder by Thomas Chilton Stoner III is a collection of stories and poems that he wrote about his life as a Texas country boy. His words cover 202 pages that describe the cowboy/outdoor life in both prose and poetry. Author Russell S. Smith describes From out yonder this way, "Chilton Stoner takes the reader into the countryside before cell phones and the Internet. His words allow you to tag along during memorable times he spent in God's great outdoors. ** Yet his most remarkable insights come from the stories of his cowboy life and the verses in the poetry section; stories like the Cowboy and the Catfish, and Weaver and Old Paint, and verses entitled the Cowboy Life, Destiny and Torches at Midnight - which were my favorites. It's a good read."
