## **A New Steamy BBW Paranormal Shape Shifter Romance!**

Karia was ambitious and even toyed with the idea of following behind her father's footsteps into politics. With his recent election into the Senate, Karia's life was set to change and the biggest change would be the security and bodyguards that she was forced to have. Wild death threats were sent to her and her sister, so both were given their own personal bodyguard 24-7. It was a lot to get used to, no privacy, as well as waking up to a half-naked hunk of a man on her couch

Sean was not happy with his new detail, the daughter of a controversial Senator that had pissed a lot of people off on his way to get to the next level in his career. When he first met Karia, he knew she was trouble. She turned out to be more than even he could handle and he was sent away to another job after his inner beast broke the unspoken rule of his kind.

Something goes wrong though and the man's shifting secrets are exposed as he fights to save her before it is too late. His enemies have found her and taken her hostage. Sean blames himself for his loss of control and will do anything to save her and make her see that they are meant to be together.

Will Karia be able to see past what he hides from her in his eyes? Or will it all be too much for Karia to handle, no matter how much he tells her he needs her?
