**Joseph Levis:**

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their hobby. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country.
