Their Own Best Defense Virgil Hurley

Throughout history, many have questioned the integrity of the Bible's account of Jesus Christ. Although most conclude that Jesus is a historical figure, they still debate the historicity of the four Gospels. Their Own Best Defense is the first in a series of books that will examine the authenticity God's Spirit bountifully sowed throughout the four Gospels. The study will prove that every text in Matthew, Mark, Luke, and John reveals multiple, substantial, and objective evidences that the writers accurately recorded the life and ministry of Jesus Christ. This book will encourage Bible-believing disciples to continue teaching the reality of Jesus Christ as revealed in the Gospels and challenge skeptics to examine their motives in denying the Gospels' historicity. You will see that:

- Christianity is about a real person who lived in a real time.
- In Jesus Christ, God spoke historically, clearly, and emphatically, revealing himself as truth.
- The Gospels are authentic, not the creation of over-zealous believers in Christ.
- The Gospels' writers never modified, exaggerated, misrepresented, fabricated, or retracted a single word of their Gospels.
- Only by confronting our colossal self-deceit can we ever repent and be in a position to receive God's truth in Christ.
