Another Little Piece of My Heart Tracey Martin

What if your devastating break-up became this summer's hit single? In this rock-and-roll retelling of Jane Austen's Persuasion, music can either bring you together or tear you apart.

At her dying mother's request, Claire dumps Jared, the only boy she's ever loved. Left with a broken family and a broken heart, Claire is furious when she discovers that her biggest regret became Jared's big break. While Jared is catapulted into rock-star status, another piece of Claire's heart crumbles every time his song plays on the radio.

The summer after her senior year, it's been months since the big break-up, and Claire is just trying to keep her head down and make it through a tense trip to the beach with her family. But when Jared shows up, and old feelings reignite, can Claire and Jared let go of the past? Or will they be stuck singing the same old refrain?

"Sweet, sassy and incredibly swoon-tastic! The romance between these two musicians will strum every reader's heartstrings." - Jennifer Walkup, author of *Second Verse*

"A rocking second chance story layered with wit, music, and heart." - Jean Haus, author of *In the Band*

"An anthem for anyone giving love a second chance. Claire and Jared's story sings." - Lisa Burstein, author of *Pretty Amy*

Molly Maldonado:

As a pupil exactly feel bored to be able to reading. If their teacher inquired them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's internal or real their hobby. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Another Little Piece of My Heart can make you truly feel more interested to read.
