"New life. New love? " The tranquil bayou town of Gauthier is the perfect place for widowed single mother Leslie Kirkland to raise her two daughters. Until she's elected president of the elementary school's Parent-Teacher Organization. Caught in a clash between the community and progressive science-teacher-turned-assistant-principal Gabriel Franklin, Leslie vows not to take sides. But it's hard to be objective when a sexy younger man is awakening such an irresistible desire. Years ago, a teacher saved Gabriel from a one-way path to destruction, and now he is dedicated to his students and the Louisiana town he calls home. But the chemistry sizzling between him and Leslie could ignite a scandal. And when the gathering firestorm threatens both their dreams, Gabe is ready to take a stand. Can he convince Leslie that it's time to move on and make a bright future...with him?
