"Harry Potter and the Deathly Hallows Part 2 - Review of Movie Theme (Underlying Christian Theme Explained) is a review of the last movie in the Harry Potter series.

It is not a review of the entire movie however I can say the movie was very good and I would give it \*\*\*\*\* in that way because it was wonderfully engaging, graphics were outstanding, the new 3D was great, characters and story line was full. You will not be disappointed. The underlying Christian theme was exciting to me, well done and purposeful. In the review, there is an explanation of each of the ways the Christian theme is presented in the movie. You will see it clearly in Harry, Voldemort and Dumbledore's characterizations and in the story line down to the great ending. Read the review and I am sure you will agree to my statements, however, you might miss it otherwise.
