Mozart. Concierto para clarinete Colin LAWSON

Concierto para clarinete de Mozart es de suprema importancia, siendo el último trabajo instrumental de este compositor. Dado que el aprecio hacia la música de Mozart llega a ser cada vez más amplio, parece natural que su trabajo, de orden instrumental, deba probar una particular frente de fascinación y encanto. El libro traza los orígenes y desarrollos del clarinete, el encuentro de Mozart con este gran instrumento, así como su composición y acogida del concierto para clarinete. Un análisis de la obra es complementado con la discusión de la práctica interpretativa e instrumentos de relevancia que aún sobreviven.
