On the Road to Shambala Mitch Powers

An edgy mix of hedonistic and spiritual soul seeking Europeans and Americans find a slice of paradise on Playa Zipolite in the late 80s. At Shambala, a free spirited establishment founded in the early 70s, renting a hammock is cheap and the vegetarian food delicious. Here it's easy to idly pass the days swinging in a hammock, practicing yoga, nude sun bathing on the beach and dipping into the ocean. The narrator, naïve and hopeful comes into this environment stunned by the beauty of the surroundings. He joins two other Americans. Taryn, a free flowing spirit and a natural beauty, who fits into Shambala's counter-culture vibe with ease. P.J., her male companion, a conservative Kansas boy is the polar opposite but is mesmerized by Zipolite's seductive environment and Taryn's beguiling charms. But the road to Shambala though paved with good intentions has its dark detours. The Turtle Murder Factory lies over the hill in the town of St. Augustine, an ever present reminder of man against nature. As Christmas approaches and more travelers pack into Shambala and other places of rest at Playa Zipolite this little strip of Shangri-La is challenged by the possessing soul of human nature.

From reader reviews:

Walter McBride:

In other case, little individuals like to read book On the Road to Shambala. You can choose the best book if you want reading a book. So long as we know about how is important some sort of book On the Road to Shambala. You can add expertise and of course you can around the world by the book. Absolutely right, mainly because from book you can recognize everything! From your country until eventually foreign or abroad you can be known. About simple thing until wonderful thing you may know that. In this era, we can easily open a book or searching by internet product. It is called e-book. You can use it when you feel bored to go to the library. Let's go through.

Sarah Maddocks:

As people who live in often the modest era should be update about what going on or data even knowledge to make all of them keep up with the era which can be always change and move forward. Some of you maybe will certainly update themselves by reading books. It is a good choice for you but the problems coming to you is you don't know what one you should start with. This On the Road to Shambala is our recommendation so you keep up with the world. Why, because this book serves what you want and wish in this era.

Nancy Samuel:

This On the Road to Shambala is completely new way for you who has interest to look for some information given it relief your hunger details. Getting deeper you in it getting knowledge more you know otherwise you who still having little bit of digest in reading this On the Road to Shambala can be the light food for you personally because the information inside this kind of book is easy to get simply by anyone. These books build itself in the form which is reachable by anyone, sure I mean in the e-book form. People who think that in reserve form make them feel drowsy even dizzy this guide is the answer. So there is absolutely no in reading a e-book especially this one. You can find actually looking for. It should be here for you. So , don't miss it! Just read this e-book sort for your better life and also knowledge.

Ricardo Donaldson:

Do you like reading a book? Confuse to looking for your favorite book? Or your book ended up being rare? Why so many concern for the book? But any people feel that they enjoy intended for reading. Some people likes reading, not only science book but novel and On the Road to Shambala or even others sources were given knowledge for you. After you know how the truly great a book, you feel would like to read more and more. Science guide was created for teacher or perhaps students especially. Those ebooks are helping them to add their knowledge. In some other case, beside science e-book, any other book likes On the Road to Shambala to make your spare time a lot more colorful. Many types of book like here.
