TURTLE ON A FENCE POST is "the ideal gift of wisdom and inspiration for the high school graduate."

- The ultimate 'life after high school' reference book -- a guide to help our children and their friends navigate the complicated 'real world' they will face after graduation.
- Why 365 lessons? Because it is important to learn something new every day. Each lesson is short -- it can be read quickly over breakfast or during a study break.
- A theme for each day of the week. Monday's message is motivational; Tuesday's and Wednesday's are hints for advancing a career. Thursday's and Friday's are general life lessons. Saturday's focus is on social aspects, while Sunday's spiritual guidance comes from many religions, philosophers and teachers.
- High school and university textbooks provide the book smarts; TURTLE ON A FENCE POST will help with the 'life smarts.'
