## **Ask, Thank, Tell: Improving Stewardship Ministry in Your Congregation** Charles R. Lane

The goal of this book, says author Charles Lane, is to perform a dramatic rescue of stewardship, freeing it from any connection whatsoever to "paying the bills." When the Bible talks about stewardship it almost always talks about the intimate connection between how a person handles financial matters and that person's relationship with God. Stewardship is an intensely spiritual matter that lies close to a disciple's relationship with Jesus.

The book is designed especially for use in congregational planning and study. Congregational stewardship leaders will come back to three foundational verbs — ask, thank, tell — over and over as they help individuals experience the joy of giving generously. The author makes the convincing case that there is little in life today that can help a disciple grow in relationship with Jesus more than a solid intentional biblical stewardship.
