## **Department of Defense Law of War Manual** Office of Gen. Counsel Dept. of Defense

The *Department of Defense Law of War Manual* belongs on the shelf of every researcher, journalist, lawyer, historian, and individual interested in foreign affairs, international law, human rights, or national security. The *Manual* provides a comprehensive, authoritative interpretation of the law of war for the U.S. Department of Defense. The Manual encompasses not only traditional law of war topics, such as land and naval warfare and the treatment of prisoners of war, but also more recent and controversial developments, such as the law governing detention at Guantanamo Bay and the law of cyber warfare.

The *Manual* was originally issued in electronic format by the Department of Defense Office of General Counsel in June 2015. This first paperback edition is designed with the researcher, practitioner, and student in mind. It contains the full, original text of the *Manual* reformatted for print publication in full color with a handy thumb index keyed to the back cover for ease of locating relevant chapters and cross-references. Published in soft cover - allowing it to lie flat for continuous reference - and in perfect "manual" size, the *Department of Defense Law of War Manual* is ready for the library, the office, or the ruck sack.
