**Discipleship for African American Christians: A Journey Through the Church Covenant** William C. Turner

William Turner uses the Church Covenant, a short statement of faith many African American Baptists have committed to memory, as a vehicle for teaching the Baptist faith, with special attention paid to how the Covenant is grounded in the person, work, and experience of the Holy Spirit. Each chapter is based on a phrase from the Covenant itself and explores the scriptural foundations for the phrase and the belief expressed in it. Discipleship for African American Christians is ideal for personal or small-group study, as well as for Christian education and Sunday school settings.
