Exam Prep: Hazardous Materials Awareness and Operations, Fifth Edition is designed to thoroughly prepare you for a Hazardous Materials certification, promotion, or training examination by including the same type of multiple-choice questions on the actual exam. By completing the practice questions in this manual, you will be able to identify weak areas you may have, allowing you to adjust accordingly. The manual follows the Systematic Approach to Examination Preparation, developed by Dr. Ben. A. Hirst, to help improve examination scores. The practice examinations were written by fire and emergency services personnel and the content was validated through current reference materials and technical review committees. Your exam performance will improve after using this system.
