ALIEN'S QUEST FOR LOVE

"I am not angry at you, Etienne. In fact, I really appreciate the fact that you are pouring your heart out to me. But I have so many questions. I don't even know from where I should start. I want to know you."

Katherine knew that Etienne was dangerous though sexy. She still couldn't help but fantasise about him unaware of where they both would head.

Sometimes you have to cross an entire universe to find true love! Etienne didn't know the kind of love that was waiting for him, some thousand light years far in a small American town.

ALIEN'S RETURN

I knew he was dangerous and he might ruin apart my life, but I still fell for him. I wanted to kiss those lips and melt in those arms and so I did. There is something exciting about raw danger and this is what enchanted me. He called out to me and despite not knowing anything about his dark mysterious eyes, I fell for them.

Carter, a half-blood, realized he had to cross an entire universe to free Mia. He didn't know that he was originally from outer space, a resident of Xorosa, and the only hope of bringing the planet back to its glory. But he couldn't betray his home and the 1.27 billion citizens of Earth by helping an alien species to plan their invasion on earth. Read this beautiful tale that will take you all the way to stars and back. Feel Carter's strong arms holding you tight, as he travels the whole wide universe to save Mia. Bite your tongue and lips while reading their steamy and spicy journey of stardust.

BEYOND GOLIATH

In 2115, the Earth is attacked by an unknown alien force far outside of the Milky Way Galaxy, and a quarter of the world's population is wiped out in the blink of an eye. 24-year-old orphaned pilot, Captain Lori Stallings witnessed the carnage of the devastating attack first hand, and she wants revenge for the billions of deaths.

She along with two other pilots are selected to make the long 30 year journey to the planet which attacked earth, each of them flying a separate ships called the Goliaths. With only lifeless battle androids for company, she knows the journey will be a lonely one.

At least until she receives an email from the legendary Captain Conrad Roland, one of the other pilots. Communication between ships is strictly forbidden, but she responds, and with this single email, the captains begin a romance that will span billions of miles, and create a universe together that will defy all odds.
