Stories about nurses are scarce, but stories about nurses who have accomplished extraordinary feats are almost non-existent. This beautifully produced, full-color book breaks that trend with stories about nurses who, in their daily lives, have made outstanding contributions in extraordinary ways in their communities. From around the globe, authors have contributed over 100 stories and images of nurses guaranteed to make you laugh, cry and applaud as you learn of their accomplishments. These stories capture the diversity, intensity and heroism of nursing. Collectively, they form a fascinating mosaic describing the fullness of the nursing profession.
