What You'll Learn

Italian Level 5 is designed to be taken after Pimsleur's Italian Level 4. Thirty 30-minute lessons totaling 15 hours of spoken Italian language learning, plus 90 minutes of reading practice. Italian Level 5 builds upon skills taught in Pimsleur's Italian Levels 1-4. You'll be speaking and understanding Italian with near fluency and with a broad range of conversational skills. In Level 5 the pace and conversation moves quite rapidly, accelerating exposure to new vocabulary and structures, approaching native speed and comprehension. You'll learn to speak more in-depth about your personal life and emotional state, and be able to create complex sentences using a mix of tenses and moods.

A few of the topics included in Italian Level 5:

- Travel and leisure: making vacation plans, famous landmarks, festivals, reading, hiking, dining and movies, malls, delayed and canceled flights, lost luggage, car trouble, filing a police report, getting a speeding ticket, driving dos and don'ts, train travel
- Food and drink: restaurants, grocery shopping, organic food and wine, smells and tastes, what to bring,

traditional foods

- The environment: weather, alternative energy, trash and recycling, changing landscapes, pollution

Reading Lessons in the form of a short story are included after Lesson 30.

The Pimsleur Method

We make no secret of what makes this powerful method work so well. Paul Pimsleur spent his career researching and perfecting the precise elements anyone can use to learn a language quickly and easily. Here are a few of his “secrets”:

The Principle of Anticipation

In the nanosecond between a cue and your response, your brain has to work to come up with the right word. Having to do this boosts retention, and cements the word in your mind.

Core Vocabulary

Words, phrases, and sentences are selected for their usefulness in everyday conversation. We don't overwhelm you with too much, but steadily increase your ability with every lesson.

Graduated Interval Recall

Reminders of new words and structures come up at the exact interval for maximum retention and storage into your long-term memory.

Organic Learning

You work on multiple aspects of the language simultaneously. We integrate grammar, vocabulary, rhythm, melody, and intonation into every lesson, which allows you to experience the language as a living, expressive form of human culture.

Learning in Context

Research has shown that learning new words in context dramatically accelerates your ability to remember. Every scene in every Pimsleur lesson is set inside a conversation between two people. There are no drills, and no memorization necessary for success.

Active Participation

The Pimsleur Method + active learner participation = success. This method works with every language and every learner who follows it. You gain the power to recall and use what you know, and to add new words easily, exactly as you do in English.

The Italian Language

Italian is the official language of Italy and San Marino, and one of the official languages of Switzerland, Croatia, and Slovenia. Italian is spoken by about 58 million people in Italy, 24,000 in San Marino, 840,000

in Switzerland, another million in other European countries, and approximately 5 million in North and South America. Historically, Italian is a daughter language of Latin. Italian uses the Roman alphabet and the pronunciation of the language follows the spelling very closely.

Tech Talk

- CDs are formatted for playing in all CD players, including car players, and users can copy files for use in iTunes or Windows Media Player.
