Therapy Lucy Louise

Just as everything was going right, now it's going wrong. Carrying on from 'If These Sheets Were States', Paige discovers the reason behind her mysterious stomach pain the night of All Time Low's promotional show for the release of 'Somewhere in Neverland'. But little do Bella and Paige know what's really going on. The boys are worried for Paige's health, as well as Bella's. How will they overcome everything that's going on? Whilst highly unlikely that anything could ever break up All Time Low, what about the two relationships? How will Zack and Paige cope? Will Bella and Alex manage?
