Women's Health in Physical Therapy (Point (Lippincott Williams & Wilkins)) Jean M. Irion PT EdD SCS ATC, Glenn L. Irion PT PhD CWS

This book provides a framework and practical guidelines for managing women's health issues within the practice of physical therapy. It enables students to develop and implement customized patient care plans to deal with a broad range of disorders and health issues that either primarily affect women or manifest themselves differently in women. The book features a team of expert authors whose advice is based not only on a thorough investigation of the evidence, but also on their own firsthand experience as physical therapists specializing in women's health issues.
