Cuadernos Del Abismo (Spanish Edition) Fernando Broncano

En el año 2007, coincidiendo con el setenta aniversario de la muerte de Howard Philips Lovecraft (1890-1937), se celebraron en la Universidad Carlos III de Madrid unas jornadas de homenaje que reunieron a un amplio grupo de estudiosos y creadores interesados en dar una nueva vision de la obra del maestro de Providence. Sus organizadores, David Hernandez de la Fuente y Fernando Broncano, y el editor de Literaturas Com Libros, Alejandro Perez-Prat decidieron, auspiciados por el Instituto de Estudios Clasicos <> , convertir en libro el espiritu de dichas jornadas. "Cuadernos del abismo" no es un homenaje academico al uso, sino que contiene tambien otro tipo de aportaciones -desde un diccionario de personajes lovecraftianos a la evocacion personal, al relato a la manera de Lovecraft o los poemas de horror- que nos permiten afrontar la literatura del abismo from beyond.
