Eyes On MorYork - 2014 Compendium Clare Graham

Since 1986, MorYork has been the studio and gallery of Clare Graham and Bob Breen. It continues to evolve. "Eyes on MorYork" is an attempt to have multiple photographers record what the space looks like in 2014, prior to a show at the Craft and Folk Art Museum. The show will be comprised of pieces that normally cohabit the dense environment of MorYork. Constantly evolving and continually morphing, MorYork is ephemeral, the building continues to live its destiny. These portraits seek to capture moments in its life. These photos were taken by a series of 12 photographers during 2014, and is a collected version of their photographs.
