The Puzzle of Fascism: Could fascism arise in America or could it already be a Fascist State? Eric D. Williams

Those who do not know history are doomed to repeat it. Using the historical record of fascist regimes, Eric D. Williams draws hauntingly similar characteristics used by former fascist regimes currently unfolding in the United States. Williams establishes eight undisputable points arising from the current administration, and offers valid points to stop the slide towards fascism by taking back America by the people, for the people.
