Transforming Philosophy and Religion: Love's Wisdom (Indiana Series in the Philosophy of Religion)

Transforming Philosophy and Religion: Love's Wisdom (Indiana Series in the Philosophy of Religion)

Norman Wirzba, Bruce Ellis Benson, and an international group of philosophers and theologians describe how various expressions of philosophy are transformed by the discipline of love. What is at stake is how philosophy colors and shapes the way we receive and engage each other, our world, and God. Focusing primarily on the Continental tradition of philosophy of religion, the work presented in this volume engages thinkers such as St. Paul, Meister Eckhart, Kierkegaard, Husserl, Heidegger, Ricoeur, Derrida, Marion, Zizek, Irigaray, and Michele Le Doeuff. Emerging from the book is a complex definition of the wisdom of love which challenges how we think about nature, social justice, faith, gender, creation, medicine, politics, and ethics.
