Kelley Paul

**Kelley Paul, wife of Senator Rand Paul, celebrates lifelong friendships in a beautifully illustrated book about the female bond.**

Feeling blessed to be one of seven friends who met and grew close in college-and looking forward to their celebration of a milestone birthday together-Kelley Paul wanted to know more about the women who were their first sources of love and inspiration, as her own grandmother and mother have been to her.

So she asked each friend to tell her the story of a woman who influenced and guided her, who fostered her sense of joy, independence and courage. As you read each one, you'll discover, as Kelley did, that they're the stories of women everywhere, for they are personal yet universal, ordinary yet extraordinary.

This lovely book also features works of art by the women of HomeFront Family Preservation Center and wise words of female authors and poets.
