Ancient Medicine (Sciences of Antiquity Series)

Vivian Nutton

Ancient Medicine (Sciences of Antiquity Series) Vivian Nutton

The first edition of *Ancient Medicine* was the most complete examination of the medicine of the ancient world for a hundred years. The new edition includes the key discoveries made since the first edition, especially from important texts discovered in recent finds of papyri and manuscripts, making it the most comprehensive and up-to-date survey available.

Vivian Nutton pays particular attention to the life and work of doctors in communities, links between medicine and magic, and examines the different approaches to medicine across the ancient world. The new edition includes more on Rufus and Galen as well as augmented information on Babylonia, Hellenistic medicine and Late Antiquity.

With recently discovered texts made accessible for the first time, and providing new evidence, this broad exploration challenges currently held perspectives, and proves an invaluable resource for students of both classics and the history of medicine.

From reader reviews:

Brandon Huff:

Have you spare time to get a day? What do you do when you have much more or little spare time? Yeah, you can choose the suitable activity with regard to spend your time. Any person spent their spare time to take a move, shopping, or went to the particular Mall. How about open or perhaps read a book titled Ancient Medicine (Sciences of Antiquity Series)? Maybe it is being best activity for you. You understand beside you can spend your time with your favorite's book, you can better than before. Do you agree with their opinion or you have additional opinion?

Steven Connell:

As people who live in the actual modest era should be revise about what going on or data even knowledge to make them keep up with the era and that is always change and make progress. Some of you maybe will update themselves by reading through books. It is a good choice for you personally but the problems coming to an individual is you don't know which you should start with. This Ancient Medicine (Sciences of Antiquity Series) is our recommendation so you keep up with the world. Why, as this book serves what you want and need in this era.

Joyce Pippin:

Nowadays reading books become more and more than want or need but also work as a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The info you get based on what kind of e-book you read, if you want get more knowledge just go with education books but if you want experience happy read one along with theme for entertaining for example comic or novel. The actual Ancient Medicine (Sciences of Antiquity Series) is kind of e-book which is giving the reader unforeseen experience.

Margaret Padua:

Is it a person who having spare time then spend it whole day simply by watching television programs or just lying down on the bed? Do you need something new? This Ancient Medicine (Sciences of Antiquity Series) can be the response, oh how comes? A book you know. You are consequently out of date, spending your spare time by reading in this brand new era is common not a nerd activity. So what these guides have than the others?
