*When past and present collide, predicting the future is impossible.*

Everyone knows that Prophet—former Navy SEAL, former CIA spook, full-time pain in the ass—works alone. But his boss at Extreme Escapes, Ltd. has just assigned Proph a new partner and a case haunted by ghosts from Proph’s past. Suddenly, he has to confront both head-on.

Tom Boudreaux—failed FBI agent, failed sheriff, full-time believer in bad luck—is wondering why the head of a private contracting firm has hunted him down to offer him a job. Still, he’s determined to succeed this time, despite being partnered with Prophet, EE’s most successful, lethal, and annoying operative, on a case that resurrects his own painful past.

Together, Prophet and Tom must find a way to take down killers in the dangerous world of underground cage matches while fighting their own dangerous attraction. When they find themselves caught in the crossfire, these two loners must trust each other and work together to escape their ghosts . . . or pay the price.
