The Fox and the Whirlwind: General George Crook and Geronimo, A Paired Biography Peter Aleshire
TWO OF AMERICAN HISTORY'S MOST BRILLIANT WARRIORS-AND FIERCEST ENEMIES-
COME ALIVE "An invaluable addition to western history."-Evan Connell, author of Son of the Morning
Star "Written like fine historical fiction, but substantial, substantive, enlightening."-Kirkus Reviews This
captivating dual biography chronicles the lives and battles of two of America's most famous warriors, the
legendary Apache shaman, Geronimo, and the nation's most successful Indian fighter, General George
Crook. Artfully constructed from their own words, as well as newspaper accounts and the firsthand
recollections of those who fought with-and against-them, here is a compelling and uniquely evenhanded
account of the intriguing men at the center of one of American history's most definitive, longest-running
struggles-the infamous Apache Wars. Born to defend their respective cultures-and destined to destroy each
other in the process-the vengeful, spiritually powerful Indian warrior and the remorseless, consummate
professional officer are inextricably bound to each other in the fabric of our country, and in the hearts of their
peoples.
