Wild Irish, Book One

Monday's child is fair of face...

After the death of her mother, Keira Collins became a surrogate parent to her six younger brothers and sisters, her own dreams put on hold. Now, at twenty-seven, she's finally pursuing a college degree. Between classes, working at the family pub and still tending to siblings, she's no time for romance. So why is she spending all her rare free time fantasizing about hot Professor Wallace bending her over his desk?

Will Wallace recognizes Keira's unfulfilled desires, her habit of hiding her beauty, her obsessive need to command every aspect of her life. But Will has needs of his own—and they run far darker than Keira's. As he initiates her into his lifestyle, offering sweet punishments and sweeter rewards, Will's sexual authority slowly strips away some of her precious control. The one thing Keira's not ready to relinquish...
