## **India's North West Frontier - A Boy Soldier's Tale** Drury Leonard Parsons

In 1917 during the First World War Drury Leonard Parsons then aged 14 joined the Royal Warwickshire Regiment. At the time there was provision for boy soldiers to join the ranks as band boys and this he did. Initially sent for training in Britain, he was caught up in the influenza epidemic and so missed being posted to the Western Front with his battalion and found himself transferred to the 2nd Battalion and on a troop ship to India and the North West Frontier. His postings in the Khyber and adjacent areas were followed by stints in Nasirabad, and Delhi. Drury Leonard Parsons brings to life the events a regular soldier from the ranks experienced in those early 20th century days of the Raj on the wild North West Frontier. In the latter part of the book he relates his return to Britain in 1927 and his subsequent re enlistment during the Second World War which eventually saw him back in India and Burma.
