Painted Blind: A Modern Retelling of the Myth of Cupid & Psyche Michelle Hansen

Psyche Middleton has always been judged by her looks. When she meets a guy that can make himself invisible, she must decide if love is truly blind. He takes her a palace in an idyllic kingdom, but his affection has one condition—she may not see him.

Enchanted, intrigued and not wholeheartedly believing he's real, she betrays his trust for a glimpse of his face, and ends up at the mercy of his controlling mother. Psyche must complete three impossible tasks to prove her love—or die trying.

"A captivating retelling that will surely make an old myth a new favorite" ~ Kelly Hashway, author of Touch of Death
