High school senior, Lydia Hawthorne, is less than grateful when Oberon has her snatched from the mortal world and she finds out she's actually Fae. And not just any Fae, but a trueborn with enough inherent magic to tip the balance between Oberon and Titania's warring Bright and Shadow courts.

But that's their game and she doesn't want to play by their rules. Together with Clive Barrow, a Bright Court Fae with embarrassing family ties to the mortal world, Lydia fights to regain her old life, fueling her magic with the very human power of love and loss, challenging the essential nature of Faerie itself.
