The Corrosion of Character: The Personal Consequences of Work in the New Capitalism Richard Sennett

A *Business Week* Best Book of the Year.... "A devastating and wholly necessary book."?Studs Terkel, author of *Working*

In *The Corrosion of Character*, Richard Sennett, "among the country's most distinguished thinkers . . . has concentrated into 176 pages a profoundly affecting argument" (*Business Week*) that draws on interviews with dismissed IBM executives, bakers, a bartender turned advertising executive, and many others to call into question the terms of our new economy. In his 1972 classic, *The Hidden Injuries of Class* (written with Jonathan Cobb), Sennett interviewed a man he called Enrico, a hardworking janitor whose life was structured by a union pay schedule and given meaning by his sacrifices for the future. In this new book—a #1 bestseller in Germany—Sennett explores the contemporary scene characterized by Enrico's son, Rico, whose life is more materially successful, yet whose work lacks long-term commitments or loyalties. Distinguished by Sennett's "combination of broad historical and literary learning and a reporter's willingness to walk into a store or factory [and] strike up a conversation" (*New York Times Book Review*), this book "challenges the reader to decide whether the flexibility of modern capitalism . . . is merely a fresh form of oppression" (*Publishers Weekly*, starred review). Praise for *The Corrosion of Character*: "A benchmark for our time."?Daniel Bell "[A]n incredibly insightful book."?William Julius Wilson "[A] remarkable synthesis of acute empirical observation and serious moral reflection."?Richard Rorty "[Sennett] offers abundant fresh insights . . . illuminated by his concern with people's struggle to give meaning to their lives."?[Memphis] *Commercial Appeal*

The book was published by the very famous author. The author makes some research before write this book. This book very easy to read you can find the point easily after reading this article book.

Angie Blakney:

As a college student exactly feel bored for you to reading. If their teacher expected them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Corrosion of Character: The Personal Consequences of Work in the New Capitalism can make you feel more interested to read.
