From a homeopathic "constitutional analysis" standpoint, a true romantic partnership is only possible through an understanding of self and what makes one fulfilled. This unusual guide analyzes the personality types and emotional dynamics of 50 different film characters to show readers how to discover themselves and their ideal partner. Drawing on her vast film knowledge, Liz Lalor uses examples ranging from Bogart and Hepburn in *The African Queen* to characters from *American Splendor* to demonstrate how self-knowledge is the key component in finding lasting love.
