Deleuze and Politics (Deleuze Connections EUP)

This volume in the *Deleuze Connections* series debates and extends Deleuze's political thought through engagement with contemporary political events and concepts. Against recent critique of Deleuze as a non-political thinker, this book explores the specific innovations and interventions that Deleuze's profoundly political concepts bring to political thought and practice. The contributors use Deleuze's dynamic theoretical apparatus to engage with contemporary political problems, themes and possibilities, including micropolitics, cynicism, war, democracy, ethnicity, friendship, revolution, power, fascism, militancy, and fabulation.
