En Aquel Entonces: Readings in Mexican-American History

En Aquel Entonces [In Those Days]

Readings in Mexican-American History

Edited by Manuel G. Gonzales and Cynthia M. Gonzales

An interdisciplinary anthology covering diverse aspects of the Mexican-American experience in the United States.

The advent of Chicano Studies in the 1960s spawned a tremendous interest in the history of Mexicans in the United States. Committed to a multidisciplinary approach from the very outset, Chicano and Chicana scholars used a variety of perspectives to explain the Mexican-American past, but much of this work has not been readily available to students. *En Aquel Entonces* is intended as a partial solution to the problem, an anthology that brings together 31 of the most innovative journal articles published during the past four decades. These articles, representing several disciplines, provide students of history with a panoramic portrait of Mexicanos in the United States while at the same time introducing them to Chicana/o historiography. Each of the essays has been carefully edited in consultation with its author to present a text that is more accessible to students and general readers

Manuel G. Gonzales is Professor of History at Diablo Valley College and author of *Andrea Costa and the Rise of Socialism in the Romagna*, *The Hispanic Elite of the Southwest*, and *Mexicanos: A History of Mexicans in the United States* (Indiana University Press).

Cynthia M. Gonzales is an Education Specialist at Ygnacio Learning Center in Walnut Creek, California and was Director of Education at Walnut Creek Hospital from 1985–1998.

Gregory McKinney:

Is it an individual who having spare time subsequently spend it whole day simply by watching television programs or just lying down on the bed? Do you need something totally new? This En Aquel Entonces: Readings in Mexican-American History can be the response, oh how comes? The new book you know. You are thus out of date, spending your time by reading in this completely new era is common not a nerd activity. So what these ebooks have than the others?

Mitchell Peed:

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their pastime. They just do what the educator want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this En Aquel Entonces: Readings in Mexican-American History can make you experience more interested to read.
