Successful Park Avenue psychiatrist Dr. Jonah Hoffman leads a fairly normal life—a good practice, a loving wife and children—until he takes on a dangerous new patient. At first Robert Kolfax, CEO of a Blackwater-like private security firm with secret ops all over the world, seems like a powerful but troubled man in need of Jonah's help. But Jonah soon discovers that Kolfax is a sociopath. A mass murderer. And what's worse, he's untouchable, operating in a jurisdictional bubble. In an effort to aid his country, Jonah becomes a secret government operative, answering to the shadowy Mr. Price. But Jonah's undercover operations quickly begin taking over his life, putting himself and everyone close to him in danger. To survive he must leave the safe confines of his Manhattan office and plunge himself into a world of terrorists, mercenaries and spies, and outwit them at their own game.
