Jesse Keyes has done some serious growing up. With a steady job and a vibrant four-year-old son, Gabe, she's in a far better place than when she left Seattle five years ago...pregnant and misunderstood by almost everyone in her life.

Now it's time to go home and face her demons. But her sisters, Claire and Nicole, aren't exactly impressed with the new and improved Jesse. And then there's Matt, Gabe's father, who makes it clear that he never wants to see her again despite the lust that still smolders between them.

Jesse doesn't know if she can make up for all the mistakes of her past. But the promise of sweet nights with Matt might just give her the extra incentive she needs to make it worth the trouble....
