World Geography: Building a Global Perspective is a standards-based program that helps students understand how geography impacts their lives. The story-telling narrative and integrated visuals - combined with user-friendly teacher support and interactive tools - makes it easy to present lessons that are both current and compelling.

The program keeps geography relevant through its in-depth, country-by-country coverage, and up-to-date through online current events updates. It presents key concepts through maps and visuals and prepares students for success on geography assessment.
