Janie has moved to New York to try to make it as a writer, all the while serving as part-time lover in a polyamorous relationship with Veronica and TJ and full-time nanny to their daughter, Beth. Janie's life is already incredibly full when she runs into an agent one morning who sees great potential in her - and not just as an author.

As Janie's relationship with Josh blooms and her career takes off, Ronnie's happy surprise turns into a problem that even a vacation in a mountain cabin with the Baumgartners can't fix, throwing everyone's life off-kilter. Janie, especially, is spread thin, trying to please everyone while keeping Josh from finding out the true nature of her relationship with her benefactors. She knows she has to tell him eventually, but fear holds her back. Will she lose him? Will she be forced to make an impossible choice? Or will she, perhaps, find that the capacity for the human heart to love is, indeed, endless?

Warnings: This title contains erotic situations, graphic language, a ménage a trois (MFF threesome), lesbian sex and a hookup turned romance that will curl your toes!
