A Realistic Way of Making Money Right Now! At last! A way of making money that is so easy, you'll be amazed that you didn't start this idea sooner. This is a simple and real way of making a consistent part time income, without all the hype and false promises home business opportunity books sometimes provide. What if you believed that you can have it all and still have more than enough to share? Imagine being able to take the vacation you've wanted to take but couldn't afford until now. What if you could have an automatic money making machine producing revenue for you, while you spent precious time with your family? Takes only minutes each day to work! Using this method of making money is by no means a "sit-back" venture; you must be willing to put forth a few small sacrifices (such as minutes of your time) to make this work. Also, you must be open minded about seeking the advice of others to truly become an ultimate money-making business service provider. East, Fast Money in Your Lap! Perhaps you're curious as to what this plan is just by the title alone? You may have purchased this book because you are looking to make extra money in a hurry or you may be interested in a part-time income to help with family expenses. Either way you've picked up the right book. I've read hundreds of books on making money, wealth, starting a business and dozens of other opportunity products that seem too good to be true. The majority of them are misleading and full of hype. Many of these books offer promise over reality, fiction over possibility and just plain rip people off. This is a very creative money making venture. you will have an opportunity to use your mind to work this business but if you like using your hands; there are opportunities for that as well. This is such a flexible way of making money and after you begin, you will be amazed at the possibilities. Here are some of the topics you'll find inside this book: •CREATING GOALS WORTHY OF PURSUIT •DREAM BUILDING •DISCOVERING WHAT MAKES YOU EXCITED •ENHANCING AND REFINING YOUR VISION •ACT WEALTHY AND YOU WILL BE WEALTHY •TAKING A TALENT INVENTORY •USING YOUR BRAIN TO GET AHEAD •USING YOUR BRAWN •THE BUSINESS PLAN, STEPS TO SUCCEED •MAKING A CONSISTENT INCOME While I show you how to make up to \$800/month part time, it is possible to make upwards of \$60,000 per year and do this full-time. This book will show you how!
