Letters to an American Lady

C.S. Lewis

Letters to an American Lady C.S. Lewis

In 1950, C.S. Lewis began a correspondence with a woman he's never meet. Thirteen years later, his life-and letters-came to an end. Lewis had no ideas that the letters would ever be published: they are not "literary," there is little about his interest in fantasy, even less about his academic and scholarly interests. But, for all that, they stand as a fascinating and moving testimony to his remarkable humanity, and are richly deserving of the position they now take among the balance of his writings. In these letters what is revealed is the kind of man-and the kind of Christian- that was C.S. Lewis.
